June 2015 Newsletter

Volume III Issue 6

Van Cleve & Associates, Inc.'s monthly newsletter is intended to keep you, our valued customer, up to date with announcements regarding our latest products and technologies, upcoming exhibitions and conferences, and other news and events in the security and surveillance industry.

Product News

SAMSUNG TECHWIN

VC&A Now a Distributor for L-3 Security & Detection Systems Division

In addition to L-3's Infrared and CyTerra divisions, VC&A is now a distributor for L-3's Security & Detection Systems Division, offering products for checkpoints, such as personnel and package screening.

Product Offerings Include:

- Personnel, Package, & Cargo Screening
- Explosive Detection Systems
- Metal Detectors (Handheld & Walkthrough)
- X-Ray Systems

Samsung Techwin IP Surveillance Kits Complete Surveillance System in a Box

Providing the perfect balance of performance, reliability, and affordability, these plug-and-play IP Surveillance Kits have everything you need to secure your facility.

Features:

- 2MP IR Dome Cameras
- PoE compatible NVR
- Plug-and-Play Installation
- Available in 3, 4, 6, or 12 camera options

Axis A8004-VE Network Video Door Station

Axis Communications has released the next product in their access control series, the A8004-VE network video door station, featuring both audio and video capabilities, ideal for identification, communication, and remote entry control.

Features:

- High-performing intercom function
- Integrated HDTV camera with WDR
- Multiple I/O's for remote control of door locks & other equipment
- Weather & Vandal-Proof
- PoE

Bosch Control Panels with IP Camera Integration

Bosch's B Series and G Series Control Panels now feature direct IP camera integration. In addition to offering video verification, this allows for video motion detection and other analytics to activate the panels or panel events to trigger camera actions, including sending pictures via email.

Please contact VC&A for additional information on these or any of our products, or to schedule a demo.

Other News & Notes

Tech Tip from Bosch Installing Firmware

Firmware cannot be loaded from a zip file format and should not be run from removable media. Always download and extract the firmware to the technician's laptop.

NATIA

Van Cleve & Associates, Inc. will be exhibiting at the annual NATIA training conference and technology exhibition from July 21st – 23rd in Charlotte, NC. Come check us out in Booth 639!
