

# 15.6" IP PoE Display Monitor (MI56-IPPOE)

statesideelectronics.com

Durable 15.6" LCD monitor with built-in decoder allows an ONVIF IP camera to display its video stream directly through a wired network connection.

## Benefits

- Full HD (1920 x 1080) screen displays 1080i/p with no downscaling
- LED backlight - brighter picture using less power
- PoE (powered over ethernet), no other power source is required
- Built-in decoder enables direct connection to network for viewing up to 8 IP ONVIF-compliant cameras
- Capable of recording video signal (external storage source not included)
- PTZ function capability
- Control functions are password secured; mouse included for setup control
- TAA compliant

## Application Scenarios

- Perimeter Guard Stations: HD monitor for viewing up to 8 pre-selected cameras in smaller environments
- Safe / Secure Rooms: Ideal size, direct-connection, wall-mounted monitor for reviewing live video of access points before opening access
- Warehouse / Will Call Door: Convenient size monitor for viewing door bell requests when picking-up orders
- Bank Teller / Discreet Exits: Simple viewing monitor for ensuring exteriors are clear before exiting a building or area

## Specifications

Panel Type	15.6" TFT Active Matrix LCD Display
Visible Area	13.55" x 7.62" / 344.16 x 193.59mm
Backlight LED	Yes
Aspect Ratio	16:9 (native)
Resolution FHD:	1920 x 1080
Contrast Ratio	700:1
Brightness	300 cd/m <sup>2</sup>
Display Colors	262K
Response Time	25ms (rising/falling)
Viewing Angle	80/80/80/80 (L/R/T/B)
RJ-45 Port	x1 for network connection with PoE (power over ethernet)
USB	x2; includes (1) mouse
RGB Analog (VGA)	x1 D-sub 15-pin
HDMI	x1
DVI-D	x1
Audio	RCA L/R In, 3.5mm Out
Power Input	Designed for PoE (power over ethernet) power; there is a 12V DC Input as alternate power input port (no power supply included)
Power Voltage	100 -240V AC, 50/60Hz
Consumption	25 watts (max)
Operating Temp	32-122° F / 0 - 50° C
Case	Durable Metal; Aluminum Frame
Mount Wall	VESA 100 x 100mm; removeable deskstand
Dimensions	15.08" x 9.25" x 2.76" / 383 x 235 x 70mm
Weight	Net: 5.5lbs / 2.5kgs

Specifications are subject to change.
